

Acer rubrum 'October Glory'

October Glory Red Maple

Height: 40 – 50'

Spread: 35 – 40'

Zone: 4

Shape: oval / rounded

Foliage: shiny green

Rate: medium

Flower: inconspicuous

Fruit: samara

Light: full sun

Brilliant orange – red fall color foliage persists weeks after other maples have defoliated. The wings of the samara display an attractive reddish tinge as well
